Holy Spirit Awards for Excellence Winners Announced Today.

Holy Spirit Care Services is delighted to announce the winners of their quarterly Employee Excellence Awards for Holy Spirit Mary Potter and Holy Spirit Bethlehem Aged Care Facility today.

The quarterly awards recognise individual staff members who go one step further in making sure that the quality of care and service to the residents is at the highest possible level.

Ms Julie Parker is the recipient of the Award from Holy Spirit Bethlehem. Julie is an Assistant Physiotherapist/AIN and receives her award for her positive attitude and willingness to help others. Julie is also an ideas person and is always looking to improve her patient's lifestyle.

Laraine Green is a registered nurse at Holy Spirit Mary Potter and works in the area of palliative care. She anticipates patient's every need and ensures that they are kept comfortable wherever possible.

The 'You Did Good Awards' were also announced today. These awards thank staff members for their spirit of service within the community and for kind deeds and going beyond normal duties.

The awards are an initiative of the Holy Sprit Care Services, Mission and Culture Committee, which has been established to provide advice, make recommendations and engage in development activities to enhance the mission, culture and values of respect, integrity, compassion, justice and innovation.

Pam Fielding, Acting CEO of Holy Spirit Care Services is delighted with today's result:

" Since arriving in Cairns just over ten months ago, the team at Holy Spirit Care Services has been growing from strength to strength. We are so fortunate to have a strong team of professionals who truly care about the residents of our facilities and will go that extra mile to help each other.

Our mission and values of Holy Spirit Care Services to touch and enhance the lives of people through the Christian culture of quality care and services are evidenced by our staff members daily. These awards celebrate actions which have gone the extra mile, and really made a difference to our residents daily life."
