Holy Spirit Bus to receive blessing today

Holy Spirit Care Services is delighted to announce that their goal for a resident's bus will become reality today.

Monsignor Walsh will bless the first Holy Spirit Care Services residents bus at a special morning tea at Holy Spirit Bethlehem at 1030am.

Many elderly residents of Holy Spirit Bethlehem and Holy Spirit Mary Potter did not have access to transportation prior to today. The 12-seater bus service will enable these residents to enjoy more community activities and become involved in the Cairns Community.

The bus will be shared among the three Holy Spirit Care Services properties in Cairns and will take residents to events at the Cairns Civic Theatre, the shopping centres and to enjoy festivities such as Australia Day.

Vicky Johnston, General Manager Cairns Region of Holy Spirit Care Services is delighted;

"The Cairns Community has been fantastic in their support for this valuable service. Organisations such as the Italian Community Centre Association of Cairns, the Sisters of Mercy and the Holy Spirit Sisters assisted us greatly in our efforts and as a result many older people will have the opportunity to enjoy a much more active lifestyle."
