General Manager Holy Spirit Care Services Announced today

Shane Fracchia, CEO of Holy Spirit Care Services is delighted to announce the appointment of Vicky Johnston to the position of General Manager of Holy Spirit Care Service's Cairns Region.

One of Queensland's most awarded aged care and retirement living organizations, Holy Spirit Care Services expanded to Far North Queensland late last year. They currently own and manage three facilities in Cairns – Holy Spirit Bethlehem, Holy Spirit Mary Potter and Coral Sea Gardens Retirement Village, as well as Holy Spirit Home in Brisbane. Almost 700 residents are cared for by Holy Spirit Care Services in Queensland.

The role of General Manager is a new appointment for the Cairns Region and is particularly critical in the management of the master plans for Holy Spirit Care Services in the region.

Commenting on the appointment, Mr Fracchia said "The General Manager for the Cairns Region is a critical role in our organisation, particularly in view of the strategic opportunities we have available to us to expand our services in the region. We are delighted that Vicky has taken up this challenging position, she has a wide range of professional skills and a strong commitment to our values, which is essential when you are responsible for the quality care of older people."

Vicky is thrilled with her appointment and the new challenges it presents. She comments;

“I really enjoy being part of Holy Spirit Care Services. I believe strongly in their mission and values. It is nice to be welcomed into the home of our residents and to be part of their community. I am looking forward to enhancing the community of Holy Spirit Care Services in Cairns.”
